

VEGETARIAN RESTAURANTS

This list has been compiled by Study Centre sevadars to assist those attending satsangs in the greater Surrey area who wish to find local vegetarian restaurants. The list is provided for information purposes only and we cannot guarantee its accuracy.

There are a great many vegetarian and vegan restaurants further away in the city of Vancouver & other nearby cities. Please check the following websites: www.happycow.net or www.earthsave.ca

Other local restaurants that are not strictly vegetarian but that have many vegetarian or vegan options can also be found on the Happy Cow and Earthsave websites.

As menus and ingredients change frequently, it is essential to double-check the ingredients with the server – for example, whether items contain eggs or other animal products and whether the cheese is rennet-free – to ensure that items ordered conform fully to the lacto-vegetarian diet. We strongly recommend phoning first to confirm business hours as restaurants change frequently.
